WORK CREW - Summer 2010

Make a difference by joining the NLBC Work Crew Team!

"You pay to work, but it is so much fun! Work Crew makes things you wouldn't normally enjoy into an adventure." *Kyla*

"Work Crew...good times!" *Brandon*

Work Crew is a special 'camp within a camp' designed for teens. Three senior volunteers are assigned as Work Crew Bosses and provide 24 hour supervision and leadership. Because sessions are 2-3 weeks long, participants can build deep, lasting friendships. Work Crew may be the most difficult thing you've ever done, but it may also be one of the most powerful experiences of your life. If you have a passion for God and a desire to serve Him, Work Crew may be the camp for you. NLBC is looking for teenagers who can serve others joyfully without seeking attention or glory for themselves.

WORK EXPERIENCE

Work Crew members work hard during camp. Doing outdoor work, cleaning dishes (750 place settings daily!), toilets, sinks, and floors takes up a huge part of every day. In addition, you will enjoy tubing, beach volleyball, rock climbing, laughter, spontaneous fun, and lots more. A certificate of completion will be issued at the end of Work Crew, and can be a significant asset in applying for a job. Work Crew grads are also given preference for future Summer Teams at NLBC.

SPIRITUAL GROWTH

Go beyond your normal limits and watch God work in and through you. You'll be challenged & stretched as you build relationships through activities, Bible studies, and discussion times.

SKILL DEVELOPMENT

Have fun while you're learning. Work Crew places an emphasis on teaching life skills and leadership skills.

Schedule & Forms available at:
www.nlbc.bc.ca
