RELEASE OF ALL CLAIMS AND WAIVER OF LIABILITY

It is my understanding that activities (including but not limited to campouts, hiking, jungle swing, swimming, High Ropes Course, rock climbing, zip line, and other activities) at Ness Lake Bible Camp (hereafter referred to as NLBC) in which I/my child will be taking part have a 'risk' component. While NLBC takes precautions and observes conditions that may impact activities, I understand that I/my child may be injured or killed through participation.

Warning: By signing this form you are giving up your rights to bring court action to recover compensation for any injury to yourself or your property or for death arising out of your use of NLBC property, grounds, facilities and all other activities.

I recognize and accept the possibility of bodily injury or property damage resulting from negligence or carelessness of other participants. I agree that NLBC, its directors, officers, employees, and volunteers will not be liable to me or my child for incidents arising from the negligence or carelessness of other participants. I release NLBC and its directors, officers, employees, and volunteers in respect of such bodily injury or property damage or loss.

Having read and understood the above, I agree to participate and/or allow my child to participate in any and all activities at NLBC. I recognize and accept all such dangers and hazards including without limitation the possibility of bodily injury and/or property damage and/or loss incident to vehicles owned by NLBC. I also agree that NLBC and its directors, officers, employees, and volunteers will not be liable for any loss, property damage or bodily injuries sustained by my child or me.

I am executing this release and waiver of liability agreement freely and voluntarily without any compulsion on the part of NLBC. I acknowledge having read this entire agreement prior to signing it. In consideration of the use of the Camp myself or by our (son/daughter) herein before described, we, the parents/legal guardians of _____ agree to indemnify and save harmless the Camp as herein before described against and from all actions, damages, claims, and demands which may hereafter be brought against the Camp by or on behalf of myself or our said child in respect of or arising out of any accident, prescribed by the Occupiers Liability Act by the Camp which may result in injury or damage to our child and against any loss arising there from.
